Preface

"The Best Years of Your Life"

Surely someone has said this to you sometime or another during your school years.

We, the senior class of 1959, realize this as we prepare to leave our school days behind us.

Some of us may continue school, some may enter the military service, some may go into the medical field, some into other professions and occupations; but no matter what we do or where we go, nothing will compare to our high school days.

The 1959 Clairian will help us remember these days. In these pages we will find our teachers, friends, activities, and accomplishments.

After graduation we step into a new life with all its opportunities and responsibilities. We feel that we are prepared to enter this new life because of the able guidance of our teachers; and we know that without the help of God, the greatest of all friends and teachers, none of this would be possible.

Emma H. Wagner

DEDICATION

We, the members of the senior class, know that we owe a great debt to Mrs. Wagner for her help, cooperation, and advice during the time that we have known her, and especially in the last three years when she has been one of our advisers.

Realizing that we can never fully pay this debt, we wish to express our gratitude to her and pay tribute to a fine lady by dedicating this volume of the Clairian to MRS. EMMA H. WAGNER.

Francis N. Mooney

DEDICATION

Through the years that we have spent in Saint Clair High School, Mr. Mooney has always been ready to help or advise us scholastically or in relation to our class activities. He has been a hard-working and dependable adviser and also a good friend.

We say "thank you" to a fine instructor and a gentleman by respectfully dedicating this volume of the Clairian to MR. FRANCIS N. MOONEY.

ALMA MATER

Words by E. S. Bodenhorn

To Dear old Saint Clair High School
This ringing song we raise,
A song that's filled with gladness
A song that's filled with praise
We cannot help but love thee,
Our hearts are full of thee,
For well we know the debt we owe
To Alma Mater Dear.

We came to you as freshmen,
Our hearts were young and free,
You took us and you taught us
Better citizens to be;
And now that we are leaving
Our thoughts are all of thee,
We'll cherish and adore thee,
Our Alma Mater Dear.

This people
is the hope
of the human
race

Senior Class History

Now that we are Seniors, we look back upon past years at Saint Clair High School with great esteem. Our Sophomore year began with a class meeting at which time we chose our colors, flower, and motto. We elected class officers and began our high school career.

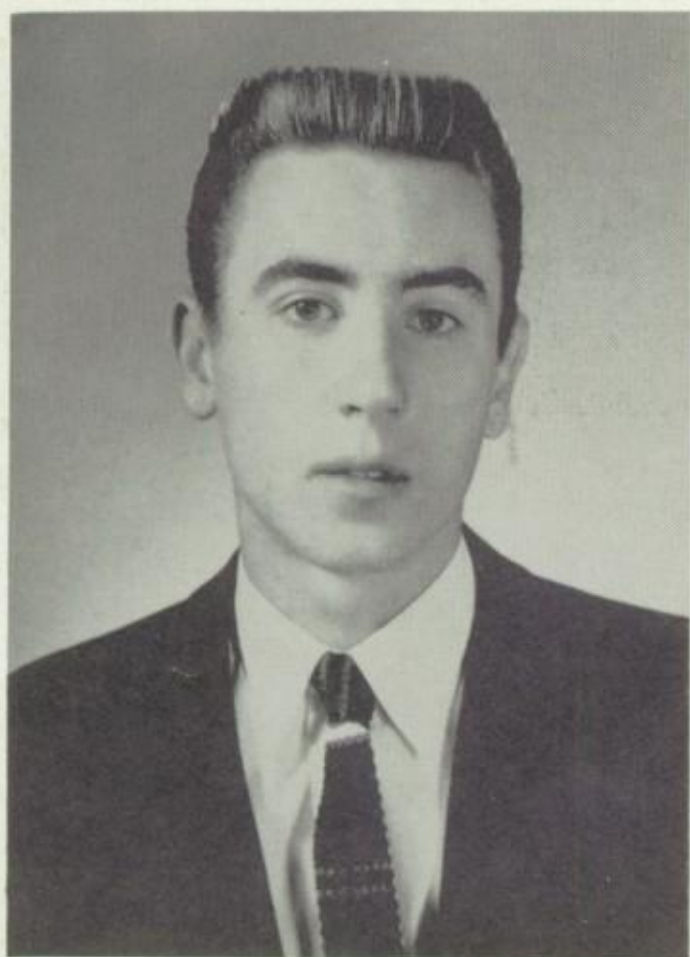

Our Junior year was emphasized by the Prom, held on May 23, 1958, with music provided by Horace Richards. We also had several successful money raising campaigns.

As Seniors, we have achieved the goal we had aimed for as Freshmen. The important event of our Senior year was the Frosty Frolic held on December 27, 1958.

We are exceedingly proud of our year book, and wish to thank all those who have worked so diligently to help us to make it a success.

We are well prepared to leave our beloved halls of Saint Clair High School, and to enter into our future life.

To the faculty and advisers who have given tireless efforts in developing our education and helping us in every possible way, we extend our deepest gratitude.

CLASS SONG

Now we come to the end of our high school days
As we leave Saint Clair High farewell
To our teachers and friends we love so dear
And the things that we hold so near
Farewell Saint Clair High
Farewell Saint Clair High
As we leave you with a sigh
Memories of you
Will always be true
Live forever in our hearts
Forever in our hearts.

Tune: You'll Never Walk Alone.

History

Organized in our sophomore year by our advisors, Mrs. Helen Pratt and Mr. David Evans, we immediately showed our ability by soaring over the goal of our magazine campaign.

As juniors we welcomed the new jointure students, and with their help we chose our class motto, flower, and colors, and sold chances on war bonds.

We are eagerly looking forward to our Spring Prom, which will mark our last Junior achievement and the first step of our reign as Seniors.

Class History

In September, 1958, our class reached a new goal -- we became Sophomores. This was a thrilling experience, and put upon us the responsibility of electing our first class officers who will direct our activities for the year. We just can't wait until we are Juniors when we will begin a busy schedule of class projects.
